**LAS VEGAS METROPOLITAN POLICE DEPARTMENT  
IMPAIRED DRIVING REPORT**

Event Number: LLV200000110070  
I.D. Number: 8620141

On 08-28-20 I Officer S. Guerra PD15228 along with my FTO T. Anderson 10220, while operating an marked patrol unit 3512 were dispatched to a suspicious vehicle call at 1804 E. Charleston Blvd. Las Vegas, NV 89104.

presumptive

Details of the call stated that there was a parked white sedan, bearing NV license plate 931J50, that was still running with the drivers door open in the Albertsons shopping center parking lot. Witnesses stated that there was a black female who stepped out of the vehicle. They attempted to wake her up multiple times and she was not responsive. Once she did wake up she attempted to drive away multiple times, being stopped by security. The female would fall in and out of consciousness while attempting to leave.

ALL LIES!!!

Upon arrival I observed the white sedan improperly parked in the parking lot with the keys still in the ignition.

**PERSONAL CONTACT** - Articulate the circumstances or Probable Cause to leave the driver out of the vehicle. This also includes any interaction at the scene, including signs and symptoms of impairment, articulation of drug/alcohol/medical use, trouble with paperwork, and how they exit the vehicle. Document if the vehicle is running or not, location of the keys and the position the driver is seated. This can include your conversations at the hospital or outside the vehicle, prior to conducting this sobriety test. (COLLUSION INFORMATION DOCUMENTED IN THIS SECTION). Explain what other details you obtained from your investigation.

Upon approaching the vehicle, I made contact with the female who was later identified as Sade Kellogg (DOB 07-01-1986).

LIAR!!

Sade Rende El. car

The car was off with the keys in the ignition. Kellogg was sitting in the driver seat. Upon speaking with Kellogg I immediately noticed her eyes were bloodshot red and glazed over. Kellogg's speech was noticeably slurred. I also could smell the odor of an alcoholic beverage coming from Kellogg's breath. I then asked Kellogg to exit the vehicle upon doing so she stumbled nearly falling over. On the ground on the drivers side of the vehicle there appears to be vomit that came from Kellogg.

ALL LIES

**PRE ARREST SCREENING** - Articulate the results of the field sobriety tests and other information that resulted in the decision to arrest for DUI and/or additional charges. This would include prior arrests, citations for paraphernalia, evidence located at the stop or on the person, any evidence made during the process of taking the person into custody, enroute to the jail, at the hospital, or during the booking process.

Kellogg failed the standardized field sobriety test. Kellogg displayed lack of smooth pursuit in both eyes, distinct and sustained nystagmus at maximum deviation, and nystagmus onset before 45 degrees.

- LIES

Kellogg was not able to properly follow directions for the walk and turn test or for the one leg stand test. For the walk and turn test she prematurely started the test, and could not keep her balance during instruction. Kellogg did not take proper heel to toe steps, with none of the heel to toe steps touching. Kellogg stepped off of the line with every step, would use her arms for balance and took 27 steps in both directions instead of the 9 that were instructed and was unable to complete a proper turn.

- LIAR

For the one leg stand test Kellogg would sway while balancing, use her arms for balance, hopped and put her foot down multiple times during the test.

LIES

In the vehicle there was an 4 empty containers of what appeared to be tequila 50 ml and an empty marijuana container.

In the back seat Kellogg's baby, Ane (DOB 06-06-2015) was in a child restraint device, not properly secured in it, and the device was not fastened at all in the backseat. Baby Ane did not have a diaper on and had a soiled diaper with feces past to her by her face area.

I day from me released from unlawful kidnapping, -he came to my apartment after we had court over the phone on a unscheduled impromptu visit to my apartment. **Nick Eason continues to violate my rights under United State codes 18usc 241; 242.**

# Affidavit Of Fact

**"Writ In The Nature of Discovery" / Lawful Warning / Notice"**

**Ministerial Offices and Officers and Agencies, and Agents for the Agency, Administrations and Administrators, and Departments, namely, Clark County Department of Family Services, do not have the judicial power or authority to compel authority over the people.**

Unless, there exist a contract between the party or parties, at the will of the party or parties, of which contract must be existing by free, prior and informed consent. Said contract must bear my signature, must not contain any adhesions, must not be done under threat, duress or coercion, must be clear, concise and specific, and must not be construed to deny any of my retained and reserved Rights.

**Questions arise as to the type of Administration / Tribunal and or Court and Officers / Employees of same and their or the lawful jurisdiction and Delegation of Authority of Clark County Department of Family Services, over the people. The Administration / Court / Tribunal must be in possession of it, and must produce it as proof in order for (any) to have validity of 'judgements' prior or intended. Family Administrations, Family Courts / Tribunals and Services or Agencies and agents of the agency, are NOT granted judicial authority by the Legislature.**

**Substantive Point of Right #1:**

**Substantive Point of Right #1:**  
 "Ministerial officers are incompetent to receive grants of judicial power from the legislature, their acts in attempting to exercise such powers are necessarily nullities." *Burns v. Sup. Ct.*, 57, 149 Cal. 1.

Failure to produce said delegated authority is proof that the Agency / Court / Tribunal, namely Clark County Department of Family Services is attempting to bring injury to the people, namely SADE RENEE EL. and ASE DIVINE EL. and deprive our liberties and commit human trafficking and genocide upon my family.

**Inferior Court:** This term may denote any court subordinate to the chief appellate tribunal in the particular judicial system (e.g. trial court); but it is also commonly used as the designation of a court of special, limited, or statutory jurisdiction, whose record must show the existence and attaching of jurisdiction in any given case, in order to give presumptive validity to its judgment.

## Write In The Nature Of Discovery

**Therefore, the following questions are placed before this Administration / Court / Tribunal, Clark County Department of Family Services seeking Full Disclosure, of which, MUST be lawfully responded to in kind AND ALL points of Inquiry MUST be answered.**

- 1. Does a contract exist between SADE RENEE HL. and Clark County Department of Family Services bearing my signature?**
- 2. If such contract does exist, produce it for the record.**
- 3. If such a contract exists, provide proof that said contract acts as a waiver of my Right To Privacy and to my right to be left alone, which is protected under the 4<sup>th</sup> amendment of the American Constitution FOR the United States of America, wherein my rights are secured and protected from encroachment.**

**Substantive Point of Right #3:**

**"Waivers of Constitutional Rights, not only must they be voluntary, they must be knowingly intelligent acts done with sufficient awareness." Brady v. U.S., 397 U.S. 742, 748.**

**Substantive Point of Right #4:**

**"Right of privacy is a personal right designed to protect a person from unwanted disclosure of personal information." CNA Financial Corporation v Local 743, 515 F. Supp.942.**

4. You must provide substantial and lawful, binding proof that I consented and granted you Clark County Department of Family Services and the Eighth Judicial District Court Family Division-Juvenile Clark County Nevada Rights over my Child, which supercede mine as a Mother. Being aboriginal and indigenous, I have the 'Individual and Collective Right' to Live in Freedom, Peace and Security as a Distinct People, and a 'Right' to the full guarantees against Genocide or any other 'Acts of Violence', including the ~~Removal of Indigenous Children From Their Families and Communities Under Any Pretext~~. In addition I have the Individual Right to Life, Physical and Mental Integrity, Liberty and Security of Person. See Universal Declaration of the 'Rights Of Indigenous People'; Part II; Article 6. As well, any state government, Agency, Agent for the Agency NICHOLAS EASON, THANDIWE MARTIN-BERNAL, and TISHA EVANS, CANNOT determine what is best for me or my child:

**Substantive Point of Right #3:**

**Under The United States Republic's Constitutional system of Government and upon the individuality and intelligence of the citizen, the state does not claim to control one's conduct to others, leaving one the sole judge as to all that affects oneself. *Mugler v. Kansas* 123 US 623, 659--60;**

- 5. Request for Averment of Jurisdiction:** Please produce, for the Record, the Delegation of Authority for this Court/Tribunal, Eighth Judicial District Court Family Division-Juvenile Clark County Nevada, pursuant to Article III, Sec.1 and 2 of United States Republic Constitution, of which all Courts derive their Judicial Authority, thereby indicating their 'Right of Action' to not only probe, pry, which violates ones' right to privacy; but also their Right of Action to adjudicate over the people, if any exist.

## Caveat

Further, I state for the record, I have not entered into, nor do I wish to enter into any contracts knowingly, willingly, intentionally or unintentionally, with NICHOLAS EASON.

**Whereas, when no contract exist there is no obligation. In Order for an obligation to exist a contract MUST exist and it must not have adhesions, must be concise and cannot be an unconscionable contract that violates substantive Rights of the People, less it is Void Ab Initio.**

**Whereas, Any Demand to compel me to act or perform, must be a Lawful demand.**  
**and:**

**Whereas, this Court/Tribunal is acting under Statutes, which are not Law. Any applicable Law must be produced for the record; no statute(s) can violate the Rights secured by the People in the Supreme Law, the American Constitution FOR the United States of America, established to protect the Rights of the People, of which every state, state constitution, state court, charter, sub-charter, chapter, sub-chapter, association, agency, agent for the agency, entity, corporation, et al, must abide by and cannot abrogate, namely, NICHOLAS HASON and Clark County Department of Family Service (See Article VI of the American Constitution).**

**When acting to enforce a statute and its subsequent amendments to the present date, the judge of the municipal court is acting as an administrative officer and not in a judicial capacity; counts in administering or enforcing statutes do not act judicially, but merely ministerially". *Thompson v. Smith*, 154 SE 583.**

**Whereas, the Tribunal Eighth Judicial District Court Family Division – Juvenile Clark County, Nevada is acting outside of its statutory limitations and violating the Laws, committing fraud, genocide, collusion and Treason, which is highly penal, and attempting to enforce under a non-existing or Void contract, and / or by statute, giving no validity or jurisdiction to any judgment conferred upon this matter.**

**"If the court is not in the exercise of its general jurisdiction, but of some special statutory jurisdiction, it is as to such proceeding an inferior court, and not aided by presumption in favor of jurisdiction." Smith's Leading Cases, 816.**

**Therefore, failure to address ALL of the issues raised herein equates in law as to have addressed NONE of them and will serve as a waiver for any claims you are attempting to assert over me and /or my family.**

**Therefore, I am allotting 7 (seven) days for a corresponding Affidavit signed by the Respondent under penalty of perjury. Failure to do so, lawfully places your administration in Default and in violation as follows:**

**Should your administration attempt to proceed with this matter by way of Threat, Duress and Coercion, without responding to this Writ, and without Due Process of Law, which is afforded to ALL, it constitutes a violation of the fourth amendment, secured by the constitution, as well as a violation of Title 18 U.S.C., Section 241: Conspiracy Against Rights, Title 18 U.S.C., Section 242: Deprivation of Rights Under Color of Law.**

**You will be prosecuted at the full extent of the law, as both criminal and civil charges will be filed on All agents and principals involved, in both their private and professional capacity, for their collusion in depriving the rights of the people and committing Fraud, Treason and Genocide against the people and against their oath bound obligations and fiduciary duties.**

**"Officers of the court have no immunity, when violating a Constitutional right, from liability. For they are deemed to know the law." *Owen v. Independence*, 100 S.C.T. 1398, 445 US 622.**

**Substantive Point of Right #2:**

"An unconstitutional act is not law; it confers no rights; it imposes no duties; affords no protection; it creates no office; it is in legal contemplation, as inoperative as though it had never been passed." *Norton v. Shelby County*, 118 U.S. 425

Michelle,

You need to provide Consular Notification any time you detain a foreign national.

Why did you terminate my video call today?

I recorded the whole 2 minute video and I just reviewed it and I need to know what gave you the authority to terminate?

Also why did you text me the link not only is that unprofessional but just overall stupid.

"And then I have recorded you taking over 7 minutes to start the meeting." The incompetence you display is unacceptable.

You seem to be upset, mad and angry which normally happens when people know they are wrong and out of order.

Would you like to set a different time today for the video call?

Michelle, Sha'londa.

Greetings,

I left both you ladies a voicemail earlier in regards to D'Erica Perryman. She is a licensed foster in California, she just moved to Henderson a few weeks ago and is willing to go through getting credentials transferred to Las Vegas.

It is better for the baby's best interest considering the ICPC process would take up to 6 months for transfer and my current domicile is in Las Vegas so my visits would not be convenient.

Currently I only get to see my baby 1 time a week in person for 1 hour. Skype visits are 2 times a week for 15 mins. I heard the visit center has opened back therefore more time should be provided.

Ase Divine EI (all rights reserved) is almost 14 months. She needs more in person bonding time with her natural mother. It is also best for the baby and crucially important for her to be around people of her culture.

D'Erica Perryman can be reached at 415 986-7980.

She is expecting a call from you and will verify she is comfortable with the fingerprinting process background check and meeting with you in person.

Greetings,

Shalonda

Per our conversation earlier, you said Derricka Perryman cant take my baby because you said (despite what I told you) she is not a fictive kin.

under NRS 424 as consanguinity. Meaning we come from the same ancestors. Again my daughter is currently being spiritually MOLESTED because it is against my religion to have men change baby girls diapers and baby girls sitting on a mans lap. Again this is trauma to my daughter. Its also sexually exploitation. My daughter needs to be transferred out immediately. I am stating Natural Law. I am telling you it is not Natural Law for me or my family to sit on men's lap. I am telling you again that is spiritual MOLESTATION.

So can you email me and explain to me why Derricka Perryman cant take my baby since she does in fact fall under NRS 424?

NRS 424.090 Exemption from certain provisions of chapter.

1. The provisions of NRS 424.020 to 424.090, inclusive, do not apply to homes in which:

(a) Care is provided only for a neighbor's or friend's child on an irregular or occasional basis for a brief period, not to exceed 90 days.

(b) Care is provided by the legal guardian.

(c) Care is provided for an exchange student.

(d) Care is provided to enable a child to take advantage of educational facilities that are not available in his or her home community.

(e) Any child or children are received, cared for and maintained pending completion of proceedings for adoption of such child or children, except as otherwise provided in regulations adopted by the Division.

(f) Except as otherwise provided in regulations adopted by the Division, care is voluntarily provided to a minor child who is related to the caregiver by blood, adoption or marriage.

(g) Care is provided to a minor child who is in the custody of an agency which provides child welfare services pursuant to chapter 432B of NRS or a juvenile court pursuant to title 5 of NRS if:

(1) The caregiver is related to the child within the fifth degree of consanguinity or a fictive kin; and

(2) The caregiver is not licensed pursuant to the provisions of NRS 424.020 to 424.090, inclusive.

2. As used in this section, "fictive kin" means a person who is not related by blood to a child but has a significant emotional and positive relationship with the child.

Michelle,

I have visits Wednesdays and Fridays due to threat and duress.

I only have 30 minute visits 1 hour weekly I see my child.  
Not only is this injustice its in humane.

You don't have children so you cant imagine the pain and stress I go through on a daily basis missing my child. Having a child ripped from your arms and not being able to see them its truly heart wrenching. Not only would I never hurt my child, I never ever want to be without her. My daughter is my number one priority how could you be so cruel.

Why do you cancel visits hours before they start? I clear out my whole days Wednesdays and Fridays. You broke my heart again yesterday. Why are you trying to deny my bond with my child.

Also my next visit is 5/28/2021 not June 1st.

Why are you trying to cancel my visit for 5/28/2021. What's the problem?

Again I have attempted ARBITRATION several times. Why have you Sinned against me???

Matthew 18

5 "If your brother sins against you, go and tell him his fault, between you and him alone. If he listens to you, you have gained your brother. 16 But if he does not listen, take one or two others along with you, that every charge may be established by the evidence of two or three witnesses. 17 If he refuses to listen to them, tell it to the church. And if he refuses to listen even to the church, let him be to you as a Gentile and a tax collector. 18 Truly, I say to you, whatever you bind on earth shall be bound in heaven, and whatever you loose on earth shall be loosed [f] in heaven. 19 Again I say to you, if two or three are gathered on earth about anything they ask, it will be done for them by my Father in heaven. 20 For where two or three are gathered in my name, there am I among them."

Again I have a Resolution. Immediately return my Property Ase Divine El known to you as ASH KELLOGG THARP.

October 21, 2021

On October 13<sup>th</sup> 2021 my child and I was Harassed, Threatened, Mocked, Accused, Tormented Tortured, and SEXUALLY HARRASED by agent DYDIA GARCIA. As my child and I were interacting with toys she aggressively walked over accusing me of having a electronic device. She began to yell and attempted to sexually abuse me trying to touch my bra. I pushed her hand away. She then requested I take off my bra in the open play area with over 15 parents and children watching me get gang raped. I was appalled at her request. Not only is that indecent exposure its rape, public humiliation child endangerment to the facility on top of many other criminal and civil offenses. I'm sure DYDIA GARCIA would not ask a man to take of his pants and show her his underwear. I refused to take of my bra and my baby was snatched away to a locked room. DYDIA GARCIA traumatized my child yelling and requesting inhumane request in front of my daughter. She has a very aggressive demeanor. She then said my visit was cancelled out of retaliation because I wouldn't take off and show her my bra. DYDIA GARCIA weighs to me around 700 pounds. After my daughter was snatched away she continued to stand over me as I packed up my toys to leave. I felt very threatened and fearful she may attack me. She continued to make very unprofessional degrading and demeaning statements. She displayed mental illness, lack of emotional control and narcissism. I myself have been a office manager over 12 years in San Francisco Financial District I have ever seen such a animal display of incompetence, unprofessionalism and sexual request. DYDIA GARCIA needs to be immediately audited and fired.

Section 20 of the Nevada Constitution), am giving you due notice that you may give  
due care.

Please take notice that the Nevada Constitution prohibits the take of life, liberty or  
property without due process of law (please see the constitutional provisions below):

**Nevada Constitution Article 1 Section 8 (2):**

**Due Process of Law**

**"No person shall be deprived of life, liberty, or property without due process of law."**

Case 2:24-cv-01918-SDS-EJA Document 22-1 Filed 09/29/22 Page 81 of 93  
Please take further notice that the Legislature has no power to write statutes to go against the rights of the people! Nevada Legislature doesn't have the power granted to them in the constitution to remove a child from a parent with no jury of their peers and Eighth Judicial Family Court Las Vegas, Stephanie A Charter nor the Legislature can give Child Family Service Las Vegas Inc. the authority to separate a child from their parents against the objection of parents. Please see the following authorities showing these facts:

1. Nevada Constitution Article 1 Section 20 "This enumeration of rights shall not be construed to impair or deny others retained by the people."
2. Where rights secured by the Constitution are involved, there can be no rule making or legislation which would abrogate them. *Miranda v Arizona*
3. Nevada Constitution Article 1 Section 3. "The right of trial by jury shall be secure to all and remain inviolate forever..." *Simmons v. United States*, 390 U.S. 377 (1968) "The claim and exercise of a Constitution right cannot be converted into a crime"... "a denial of them would be a denial of due process of law". We have long recognized the US Constitution Fifth Amendment's Due Process Clause, "No person shall be held to answer for a capital, or other infamous crime, unless on a presentment or indictment of a Grand Jury."
4. The liberty interest of a parents care, custody, and control of their children is perhaps the oldest of the fundamental liberty interests recognized by Courts! More than 75 years ago, in *Meyer v. Nebraska*, 262 U.S. 390, 399, 401 (1923), we held that the "liberty" protected by the Due Process Clause includes the right of parents to "establish a home and bring up children" and "to control the education of their own." Two years later, in *Pierce v. Society of Sisters*, 268 U.S. 510, 534—535 (1925), we again held that the "liberty of parents and guardians" includes the right "to direct the upbringing and education of children under their control." We explained in *Pierce* that "the child is not the mere creature of the State; those who nurture him and direct his destiny have the right, coupled with the high duty, to recognize and prepare him for additional obligations." *Id.*, at 535. We returned to the subject in *Prince v. Massachusetts*, 321 U.S. 158 (1944), and again confirmed that there is a constitutional dimension to the right of parents to direct the upbringing of their children. "It is cardinal with us that the custody, care and nurture of the child reside first in the parents, whose primary function and freedom include

5. Social Security Act 1935 (1101 (6)(d) (CFS creation Law) (d) Nothing in this Act shall be construed as authorizing any Federal official, agent, or representative, in carrying out any of the provisions of this Act, to take charge of any child over the objection of either of the parents of such child, or of the person standing in loco parentis to such child. [Emphasis by Highlight Added]

Please take further notice that the liberty interest of a Mother and their child is not allowed to be interfered with by a state or agency or agents/actors in a partnership. Your agreement for title IV with CFS Las Vegas also gives you a gross conflict of interest as an agency and makes you have unclean hands. Here the Supreme Court tells you the State Government can't interfere with these rights and can't provide what parents can, yet you seem to feel empowered to be able to take a child with NO JURY, which is mandatory based on the Nevada Constitution, before removing any Liberty as shown in the Authorities above. As you are government/agency/corporation /Private Entity, for profit it is my wish, demand, and requirement that you provide me with the constitutional grants of authority that give you power to take children from parents, preventing their care, custody and control. If you can produce these Constitutional provisions, please send them to the above address, by affidavit, sworn under penalty of perjury, within 3 days or you agree by acquiescence that you are committing a crime against the rights of the people, knowingly committing trespasses while being paid and conspiring against the people, and shall be considered as one breaking the law with knowledge and partaking in an attack against the people!

Please take further notice that: any attempt to take a child or separate any child without the judgement of a jury that has found some harm as an entity being involved with CFS under title IV programs and other similar programs will be considered as a trespass against the people.

Please take further notice that the people are now preparing to create Constitutional Initiatives to prosecute actors and government workers, acting in Administrative programs, outside of Government controlled grand juries and with a jury set outside of government control as the people have been made aware of the financial benefit from the programs being used to take children and receive administrative funding and other such funds. If you ignore the will of the people after this notice, you will receive multiple affidavits documenting your actions. As a Trustee or Board member, I, as one of the people, am putting you on notice that your Trust or entity is believed to be used for Nefarious Acts and harming the people. I pray, in the name of Jesus Christ, that this notice reaches you in peace, good fortune and blessings and that your heart
